# Kingsclere Parish Council

**KINGSCLERE PARISH COUNCIL (KPC)**

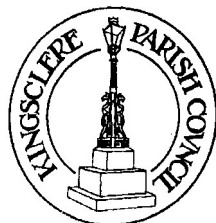

**Chairman:** John Sawyer (297221)

**Clerk:** Louise Porton (298634)

**email:** clerk@kingsclere-pc.org.uk

**Office:** 37 George Street, Kingsclere RG20 5NH

**Public Opening:** Mon & Wed 9:30-11:30am

**WW1 Centenary – 2018 Event** – The Parish Council will be hosting a meeting in September to generate ideas for the celebrations to mark the 100th anniversary of the end of World War 1. The meeting will be open to all village organisations or individuals who would like to be involved. The provisional date is 12th September, tbc when the venue is fixed. More in next month's issue.

**Tree works in the conservation area** – A gentle reminder that any work to trees within the conservation area requires permission from Basingstoke and Deane Borough Council.

All trees over 7.5cm in diameter when measured at 1.5m from ground level are protected in a conservation area. It is an offence to cut down, top, lop, uproot, wilfully damage, or destroy a tree without the council's permission in a conservation area.

**Conservation Area Review – Public Consultation** - The Kingsclere Conservation Area, which is designated to protect the architectural and historic interest of the village, has been in place since 1969. From time to time it is important to review appraisals of conservation areas, and Basingstoke and Deane Borough Council has a duty to do so.

Find out more, and give your views on the draft appraisal (which is to replace the existing appraisal) by visiting [www.basingstoke.gov.uk/conservationappraisals](http://www.basingstoke.gov.uk/conservationappraisals), where you can view and download the full appraisal report and map and give your views in a survey.

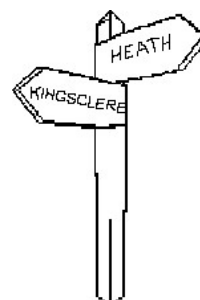

**GREEN WHEELY BINS – Collection days for August: 16th and 30th**

The report and map will be available for inspection at:

- Kingsclere Parish Office, 37 George Street, Kingsclere (Public Opening hours as above)
- Basingstoke and Deane Borough Council Civic Offices, Parklands Reception, London Road Basingstoke

THE CONSULTATION RUNS FROM 7 JULY 2017 TO 18 AUGUST 2017

**NEXT PARISH COUNCIL MEETING** – will be at 7:30pm on Monday 21st August 2017, in the Village Club, (unless otherwise notified). We welcome the attendance of all parishioners at our meetings and anyone who wishes to raise any matters of concern will be given the opportunity to do so.

## Parish Paths

We had a good turnout of 11 people and we cleared the under growth from paths around the Churchyard, the Dell, Shepherds steps and behind Fox Hall.

With the current warm and wet weather the nettles and the brambles are still growing well around our local parish paths so if anyone would like to join us to help keep the paths clear for all walkers to enjoy, please email the address below or just turn up at the shed!

The next Parish Paths working group will be on Sunday 30th July, meeting at 9.45am at the shed.

## June Monthly Beat Report: Kingsclere, Ashford Hill, Headley, Hannington

Total crimes reported	17
Assault	5
Criminal Damage	1
Anti-Social behaviour	6
Other	1
Suspicious incident	4

Action Fraud - Between 10:00 - 12:15 on 14/06 Police received a report of potential rogue trading on Greenlands Road, Kingsclere. A male in his late 30's/early 40's has claimed to be from the council and has told an elderly resident that they owe £900 in roofing repairs. If you have any further information please contact 101 quoting reference:44170225951

Parking - I am continuing to receive complaints regarding parking on the pavement, double yellow lines and grass verges.

Parking on the pavement can obstruct and seriously inconvenience pedestrians, people in wheelchairs, people with visual impairments and people with prams or pushchairs. Please remember the pavement is for pedestrians and not vehicles. Pedestrians should not have to walk in the road and put themselves in danger in order to pass something blocking the pavement. Furthermore you must not park or wait on double yellow lines.

To report any parking complaints please contact Basingstoke & Deane Borough Council.

You should always call 999 when it is an emergency, such as when a crime is in progress, someone suspected of a crime is nearby, when there is danger to life or when violence is being used or threatened.

On a final note: Please feel free to email me if you have any concerns or would just like to speak with me however please report any incidents immediately to 101 or 999. Whilst I am happy to take reports via email please be aware that I work shifts and may be on rest days/leave and may take a few days to receive your email.

## Nature Notes

Our first cuckoo was heard whilst walking in the Clatfords on 21st June which is a sad item to report and indicates the decline in numbers of one of the heralds of Spring. Unusually, the call was a full Cuk-koo which is the call associated with this bird in April or May. As Summer goes on its call usually becomes increasingly erratic.

A follow-up ref. the tern raft on our local lakes: a complete success with both chicks fledged and seen, with the parent birds, circling over the water.

All sorts of crops are grown these days as diversification by farmers and we can often name them but one recently had us stumped. It was medium height, broad leaved and rather beanlike and was, we were informed, soya bean. Soya has so many uses but mainly flour, milk, oil and the residue can be fed to livestock.

Bullfinches visiting the garden were unexpected but a pair is now seen daily on the sunflower feeder, perched on the rim of a shallow dish beneath the feeder, taking seeds from the hopper and also spilled seed from the dish. Further reading revealed that their diet includes seeds and berries when shoots and buds are exhausted. Each seed is held in the stout black bill and milled round and round until the husk cracks and the heart eaten.

An unidentified bird calling from the cover of a barley crop locally had us mystified. By good fortune a knowledgeable "birder" at the same location confirmed it as a quail. Quail are our only migratory game bird and are classed as a scarce migrant much persecuted by trapping en route. These tiny birds are more often more likely heard than seen.

We have experienced some very hot weather this summer and there are ways you can help to keep your cat cool. Provide shady areas, both in and out. Freeze a bottle of water, wrap in a towel and place in an area your cat frequents. Encourage your cat to drink. Avoid plastic water bowls, use glass, ceramic or metal instead, and place well away from the food. Bowls with a large surface area are best.

Vera has now found her forever home but poor Clyde is still in care.

This is Duchess. She is three years old and very pretty. She is looking for a home where she can be the only cat as she was bullied by cats in her previous home, but she wouldn't mind older children or a dog.

## Reflections

So we've made it to August and hopefully it will be a month where many have some much needed rest and holiday in a quieter part of the year. As a church, I'm sure, we'll really appreciate it after what has been a very intense last few months. By the time you read this, we will have finished collecting responses to the question "What hurts the most?" as part of the Who Cares initiative. We will also be half-way through the six month trial of our new services at 9:15 on a Sunday morning. I've been really encouraged by those who have participated in these services. At the end of last month, we had opportunity to give feedback on those services and we'll be responding to that feedback later on in the month.

It's been a real privilege to welcome others in who wouldn't normally worship with us and the breakfast has definitely helped us to get to know each other better. I want to thank the regular congregation for the ways they have got involved in so many different aspects of the services. It's been great to talk to those who are really enthusiastic about these new services and where God might be leading us as a church. I want to also thank those who've found this time more challenging. I'm particularly grateful to those who are determined to give these new services a chance and have stuck with us even when their own personal preference would have been otherwise. Thank you for your patience, support and regular involvement in the services, for exploring with us what it means to follow Jesus and for your commitment to worshipping God together each week.

I'd like also to take this opportunity to thank those who supported our collection for the people of Ukraine via the charity Hope Now. Thanks for the medical supplies, clothing, and other donations. These gifts were greatly appreciated by those who have so little in comparison to us.

Thanks again for your continued support and look forward to seeing you at one of our services or at the annual Kingsclere Church Fete on bank holiday Monday at the end of the month.

Blessings,

**Ben.**

### **Friends of St Mary's Kingsclere Ltd**

At the time of writing there are still a number of tickets available for our all-day return visit to Frith Farm, Wheathold, Wolverton, on Saturday 12th August.

The party will assemble at Frith Farm (postcode RG26 5SA, and the farm will be well signed) at 10a.m. We will then divide into two groups, one of which will be shown round the herb-drying sheds and oil distillation processes, while the other will be taken by tractor-trailer to see the herb fields with the harvest in full swing. We will then come together for a sit-down lunch, hopefully alfresco, and in the afternoon the two groups will swap places. As some of the surfaces are a little uneven, and the visit involves being in the herb fields, sensible footwear is advised! The visit will finish between 3.30 and 4.00 p.m.

The last time we ran this event the response was immensely appreciative. Tickets are £20 each, to include a hearty lunch of ham, home-made quiches, pork pies, salad and cheese, and a glass of wine. Please ring Jane Royle on 01635 297430.

### St Michael's Hospice Coffee Morning

**Saturday 17th June 2017**

Thank you to everyone who attended and helped at the St Michael's Hospice Coffee Morning on Saturday, 17th June.

Special thanks go to Mr Butt at the Village Pharmacy and the Village Store for raffle prize donations. Honesty café donated some wonderful bread and treats to have with our coffee! Rob from Landscape Gardening donated eggs. Hazel O'Leary and Ann O'Shaunessy provided musical accompaniment. My loyal band of helpers and stall holders. You all know who you are. Thank you! We raised a fabulous £460.85 for the Hospice!

### Fund Raising for St. Michael's Hospice

For twenty-three years I have been the fund raiser in Kingsclere for the hospice. In the past I ran the Coffee Morning, but Sara Melling has now taken this over, and again in the past I collected the Loose Change boxes; Claire Risoe has now taken this on. So for the last few years I have only arranged the House 2 House in Kingsclere, which takes place once a year, from the 1st-30th June. I am now stepping down and I really do hope that somebody in Kingsclere will step forward and take my place. If you feel you could help raise money for St. Michael's Hospice in this way please get in touch with me.

As we come to the end of another academic year, we have lots of Thank You's to make. Firstly, to Swan Street Stores who donate fruit to Busy Bees every week. To our brilliant Committee who have given their time to support and advise us throughout a rather difficult year. To our brilliant Parents/Carers who have been wonderfully supportive and to the many members of the community who have sent messages saying what a good job we are doing. Thank you all for the positive feedback.

Then of course, there are the children. Such a range of ages and personalities who have kept us on our toes and enjoyed the many things we have done throughout the year. As we say a fond farewell to our Leavers, it is safe in the knowledge they are ready and looking forward to the challenge of primary school. We welcome the Caterpillars moving up to the Butterfly group and say 'Hello' to our new starters. Busy Bees will be closed throughout the summer holidays and re-open on Tuesday 5th September. Have a great summer everyone!
