

Kingsclere Parish Council Standing Orders

**Reviewed OM April 25 Sections 14 & 18 amended
Adopted at the Annual Meeting 19th May 25**

Introduction:

These Standing Orders are the written rules of Kingsclere Parish Council. They are used to confirm the Council's internal organisational, administrative and procurement procedures and procedural matters for meetings. They are not the policies of the Council but they do refer to some of them. By law the Council must have standing orders for the procurement of contracts and this matter is therefore covered in the document. Meetings of the full Council, councillors, the Responsible Financial Officer and Proper Officer are subject to many statutory requirements and these standing orders set out how these requirements are to be met. Standing orders that are in bold type contain legal and statutory requirements.

These Standing Orders do not include the financial regulations but refer to the separate financial regulations adopted by the council that set out the standing orders on how the council controls its financial affairs and the accounting procedures it must comply with.

These Standing Orders and the Financial Regulations, which are complementary, are based on the model documents considered to be best practice by the National Association of Local Councils of which Kingsclere Parish Council is a member. This form of Standing Orders were adopted by Kingsclere Parish Council at the Ordinary Meeting on 26 February 2018 and replace the Standing Orders originally adopted in April 2003 and progressively amended up to November 2014. These Standing Orders have been and will be reviewed annually including a specific review of the extant model documents issued by the National Association of Local Councils.
